Teams in Need

Specialty Crew: Calling all Massage Therapists, Chiropractors and Podiatrists. If you are registered in any of these fields and would like to be involved with the OneWalk to Conquer Cancer, here is a great way to give back. Please send me an email at jbernucci@onewalk.ca if you're interested

Fundraising Tip of the Month

It's time for some spring cleaning! Clean out that closet and your drawers and hold a spring yard sale. Make signs demonstrating that all proceeds go to the cause, people will be more likely to help you out with your fundraising that way!
