Teams in Need

Truck Drivers: Many of our teams require truck drivers, whether it's for the Grab & Go truck, a pit stop truck or our snack support truck! If you are comfortable driving a 15' to 20' truck and you want the opportunity to see the different stops along the route, please let me know as soon as possible! There is no special license required for these trucks and it's always a fun experience!

Fundraising Tip of the Month

St. Patrick's Day is right around the corner, so it's time for a party. Why not use that pot o' gold for good? Fill it with gold-foiled candy and have each guest donate the amount of their choice to guess how many candies are in the pot! The person with the closest number goes home with their very own pot o' gold.
