Teams in Need: Before the event

Office Volunteers - Gain administrative experience by helping out in our event office. Volunteers can assist the team with phone calls, mailings, and more. Gain experience that can help you with your future activities! *Times and days vary based on need. We work with your schedule.*

Notifying the route – A few weeks before the event, volunteers armed with flyers hit the streets to notify homes and businesses along the route that the walkers are coming soon. The aim is to inform, educate and garner support for the OneWalk. Get out there, and take advantage of the weather but don't forget your sun block! *Times and days vary based on the schedule. Flexible schedule*
