Teams in Need

Route Crew: Are you looking for a great way to support and have fun at an amazing event. We are in need of general crew members to help out at pit stops where you help participants by cheering them on and handing out drinks and snacks to help them keep going. Sign up today with a friend or on you own and meet some amazing people along the way.

Fundraising Tip of the Month

Mother's day is coming up and what mother does not like to receive flowers. Contact a local florist and inquire about a discount or possible flower donation of carnations for a Mother's Day fundraiser. Ask your place of work, other businesses, schools, and/or libraries if you can set up a table the weekend of Mother's Day for your carnation sales.
