### Teams in Need: Help on-event

It is a great feeling to have family and friends at the finish line to support you and cheer you on. However, it is equally amazing to have strangers with friendly faces showing their support. We are looking for volunteers to come out the day of the event, August 20<sup>th</sup>, 2016, to greet participants and help to make the OneWalk event unforgettable. This is a true experience you do not want to miss.
