CREW NEWSLETTER

Have you signed up yet? You know you want to! We need you and your friends too! It is never too late to sign up for 2016, and as the teams are first come first serve, you'll get your top choice the sooner you register!

Call us at 514-393-9255!

Do not forget to send me your assignment form! This is the best way to indicate your preferences! You can send me an email at sditri@onewalk.ca or download your volunteer assignment form at www.onewalk.ca

Got a Costume?

Why not take a page out of this man's play book and make your own costume for this year's One Walk!

Why? Well why not? This is a great way to encourage walkers by showing your ingenuity and dedication to the event as well as helping to spread smiles and laughter!

Take a look at this newsletter for inspiration! These are our new colours and we would love to see you wearing them!

Fundraising Idea of the Month

Canada Day Party – Break out the fireworks and light up the grill! Invite friends and family over to celebrate and kick off summer with a fundraising bang. Ask attendees to bring one dish and a donation.

Teams in Need:

Thinking of crewing but don't know where you should focus your efforts? The **Bus Liaison team needs your help!** You would be assigned to one of our three route buses and you would be working as the driver's eyes and ears. You'll work closely with our dispatch team to ensure the buses are moving as planned. This is a great way to see different parts of the route and help out at various stops throughout the day.
